

# ALLSORTS AT HOME

## Pinball Wizard

You'll have hours of fun creating and playing your very own pinball machine. You can make it as simple or fancy as you like.

You'll need:

- A shoe box lid or trim down a bigger box to size
- Extra cardboard for the 'paddles' and pockets or ramps
- Wooden skewers to hold the paddles
- Buttons or milk bottle tops and cotton reels for the obstacles
- Rubber ball
- Scissors and tape

Method

- Use the lid or cut the box to size and decorate it how you like.
- You can add obstacles, make pockets and ramps, add numbers for scores.
- You are limited only by your imagination!
