Homemade Gifts

If you're looking for a personalised gift for a special person in your family, here are some ideas of simple things you can make yourself.

Hand Print Apron

Take a plain apron, some coloured fabric paints and get your hands dirty! Invite your brothers and sisters to help. Decorate the apron with hand prints – make sure you press hard and leave your hands in place for a minute. Allow to dry. A perfect gift for the barbecue cook!

Book of Favourite Things

Staple about 10 pieces of paper together to form a book. Using glue or stick tape, fill the pages with pictures of things your special man loves. Find them in magazines and newspapers. You could also use chocolate wrappers or other food labels. You could write stories about your favourite things to do together. Maybe even draw a portrait.

You can make a cover out of card and then tie a ribbon through the spine or staple it. Choose or draw a special picture on the front.

Paddle pop photo frame

Using glue or sticky tape, you can create a photo frame out from paddle pop sticks. Why not paint or decorate the frame with stickers, beads or glitter? Find a favourite photo and place it in the frame.
