

ALLSORTS AT HOME

Lighthouses

Going round the twist and looking for something fun to do? Make your own lighthouse!

You'll need:

- One clear and one white plastic cup
- A battery tea light
- Some black paper or card
- Red ribbon or red paint

Method

- Paint red stripes on your white cup or use red ribbon or red material.
- Glue a battery-operated tea light to the bottom of the red and white cup.
- Cut black squares out of card or paper to make windows and doors.
- Stick on to the sides.
- Make a circle with the black card and stick it on the bottom of clear cup.
- Place clear cup over the base cup.
