C122latr**Moe activity centre****Policy application**

This policy applies to land within the Moe Activity Centre Plan (MACP) in Clause 11.03-1L.

**Strategies**

Encourage retail, office and residential mixed use developments within Moe Primary Activity Centre.

Facilitate development of key sites adjacent to public transport, including bus routes and the Moe Train Station, that encourage pedestrian linkages between the private and public realm, including the expansion of shopping centres.

Develop the northern side of the railway line as an active urban environment and the southern side as a landscape focused area with passive recreation community spaces.

Enhance the image of the Railway Precinct as the focal point of Moe by establishing a civic hub at the Precinct that includes a pedestrian plaza and community-based facilities.

Design development to maintain views to and from the Rail Precinct and Station.

Activating the central green open spaces in the Railway Precinct by encouraging localised commercial activity and transit-oriented development.

Locate convenience retailing between the west end of the Service Station (opposite 37 Lloyd Street, Moe) and the south Station forecourt to provide active frontages to the pedestrian crossing in the Railway Precinct.

Encourage landscaping at the Lloyd Street frontage of the Service Station and the open space to the east.

Reinforce Moore Street as the primary shopping street in the town.

Support development that provides a high level of pedestrian amenity at Hasthorpe Place Precinct including pedestrian arcades to Moore Street and George Street (MACP Area 2).

Facilitate development that fronts car parking and the pedestrian network at the Clifton Street Precinct (MACP Area 1).

Support the redevelopment of higher density housing to the south of Moe town centre and train station through a demonstration project (MACP Area A to D).
