Sustainable personal transport

Strategies

Design residential estates to include a bicycle network that links with the principal bicycle routes.

Facilitate the expansion of cycling and pedestrian networks in all towns and between all activity centres.

Policy documents

Consider as relevant:

- *Latrobe City Bicycle Plan 2007-2010* (Latrobe City Council, 2007)
- *Tracks, Trails and Paths Strategy* (Planisphere, 2016)
