#### **Buildings and works**

The following buildings and works requirements apply to an application to construct a building or construct or carry out works:

##### **Landscape and setback**

- A setback of 10m from the front boundary of each site shall be set aside for landscaping.
- A setback of 5m from the Stammers Road, Traralgon East frontage shall be set aside for landscaping.
- Trees or shrubs should be included as part of the landscaping treatment to the frontage of the lots, to the satisfaction of the responsible authority.
- Car parking shall not be provided within the landscape setback areas.

##### **Site Layout**

- Loading and service functions will be sited to the side or rear of premises and appropriately screened to address any visual amenity issues.
- Car parking shall be provided to the front of the site (not within landscape setback areas) and centrally located to encourage their use.
- Safe, segregated pedestrian routes shall be provided around and between sites.

##### **Buildings**

- Contemporary and creative architecture is encouraged in the design, built form, style and finishes. The façade of all buildings must be treated to the satisfaction of the responsible authority.
- All structures on rooftops, including air conditioning units and fans, must be appropriately screened to address any visual amenity issues.
- Buildings should be designed to promote the integrated development of a bulky good/restricted retail centre with the frontage of buildings orientated towards a central car park and shared space, as appropriate.

**Decision guidelines**

The following decision guidelines apply to an application for a permit under Clause 43.02, in addition to those specified in Clause 43.02 and elsewhere in the scheme which must be considered, as appropriate, by the responsible authority:

- Whether the development supports the establishment of a dedicated bulky goods/restricted retail centre in an integrated manner.
- The impact of the development on the amenity and streetscape of the area, particularly having regard to the Princes Highway and natural drainage lines.
- The appearance of the proposed development along the town entrance.
- The design and layout of the proposed development including setbacks from property boundaries.
- The proposed landscape treatment.
- The need to ensure that development or works are completed and maintained to a standard appropriate to the sites prominent locations.
- The background document *Bulky Goods Retail Sustainability Assessment Final Report* (2009).
- Any Structure Plan, policy, strategy or guidelines relating to the land that have been adopted by the Responsible Authority.
- Apart from a freestanding sign identifying the bulky goods retail site, signage shall be confined to simple, clear business identification signs on premises.
- Other than a freestanding sign for the bulky goods retailing centre, no other signs will be permitted within the landscape setback.
