Mayor's Message

On ANZAC Day we gather as a community to remember the courage and dedication of those who have served in times of war and those who continue to serve.

We remember those who sacrificed their lives for our Country, our safety and freedom, and we acknowledge their service.

ANZAC Day provides us with the opportunity to pause and reflect. To gather together to share in the stories, memories and recognise the important legacy of those who served.

Dawn and commemorative services will be held across Latrobe City and I encourage you to join us at your local RSL or community gathering. Together we will pause and reflect.

We will remember them.

For a full list of locations please visit Council's website: www.latrobe.vic.gov.au/anzacservices

This ANZAC Day our Councillors and I look forward to seeing those attending services across our City.

Cr Kellie O'Callaghan
Mayor of Latrobe City Council

HARD WASTE COLLECTION

Latrobe City Council is encouraging residents to utilise the hard waste collection service that will be available across the municipality until the end of April.

The service is available to residents who currently have a kerbside collection service and no bookings are required.

Hard Waste items must be placed on the nature strip outside the front of their property for collection at the nominated time for their town.
