Nature of Consent Sought

Describe the nature of each consent request, identifying how it varies from the 'deemed to satisfy' requirements and the limits of the variation.

For example:

- To construct a dwelling and garage with a set back of 6.0 metres from the front property boundary as shown on the attached plans (Reg 74)
- To construct a garage to the side property boundary with an average wall height of 3.3 metres as shown on the attached plan (Reg 80)
- To construct a detached garage over an easement as shown on the attached plans (Reg 130)
- To erect a front fence to a height of 1.8 metres in the location as shown on the attached plan (Reg 89)
- To erect a carport on the side property boundary which when combined with the existing garage will achieve a total construction length of 18 metres on that property boundary as shown on the attached plans (Reg 80)
- To construct a dwelling, garage and verandah on land subject to flooding in the locations shown on the attached site plan (Reg 153)
- To construct a storage shed on vacant land in the location shown on the attached plans (Reg 87)
