Edward Hunter Reserve

Bushfire Risk Map

Moe South

What is your landscape bushfire risk?

This map indicates the landscape bushfire risk which has been developed using the multiple risk layers to determine the overall risk from a bushfire. Not all classifications below may be shown on the map.

Poses a significant

Mitigation options

are available.

risk to life safety.

Extreme

- Poses an extreme risk to life safety.
- Limited access and egress options available.
- Vegetation close to the dwelling.Significant ember

attack would impact

the area.

Access and egress options.

Significant

Lower

- Poses a lower risk to life safety.
- Little vegetation is present.
- Excellent access and egress is available.

Note: The risk classifications have been developed at a landscape level and are based on Code Red conditions. Information provided in this map is not to be used for building/planning purposes.

There are no Neighbourhood Safer Places within 10 kilometres of Moe South.

Your bushfire survival options

Refer to <u>www.cfa.vic.gov.au</u> for detailed information on your bushfire survival options. Ensure your plan includes how you will respond depending on the Fire Danger Rating.

LEAVE EARLY

- When the Fire Danger Rating is Code Red, leaving early is always the safest option.
- Leave early destinations could include homes of family and friend who live outside the risk area, a nearby town or other built-up area.

Always the safest option

WELL PREPARED

If leaving the high risk area is no longer an option, there may be options close to where you are that could protect you. These include:

a well-prepared home (yours or neighbours) that you can activel defend on Severe and Extreme f Danger Rating days only private bushfire shelter (bunker) that meets current regulations

Vour eafaty is not augranted

LAST RESOR

In situations where no other options are available, taking shelter in one of the below may protect you from radiant heat:

Neighbourhood Safer (Place of Last Resort) stationary car in a clean

ploughed paddock or reserve body of water (i.e. beach, swimmi

ligh risk of trauma, injury or death.
